SINGLE-USER SOFTWARE LICENSE for MCNP® Software Code**

UT-Battelle, LLC (UT-Battelle) manages and operates the Oak Ridge National Laboratory under its Prime Contract No. DE-AC05-00OR22725 with the United States Department of Energy ("DOE"), an agency of the United States Government. The owners of the copyrights in this software and the associated documentation and package material (the "Software") identified below have granted to UT-Battelle a license to reproduce, sublicense and modify the Software, and to distribute all or any part of the Software in accordance with existing laws, regulations, DOE orders, DOE/NRC agreements and/or written program office guidance. UT-Battelle hereby grants to the Licensee identified below a limited, non-exclusive, royalty-free, copyright sublicense to use and modify the Software subject to the following conditions:

1. The Software will be used only by the Licensee for the specific end-use as stated in the Licensee's request and only while employed at the organization listed below.
2. The Software will not be duplicated (except as necessary for backup or archival purposes).
3. All rights not granted herein are expressly reserved by the copyright owner, Los Alamos National Security, LLC, including the rights to copy, make derivative works, distribute and publicly display the Software.
4. MCNP® 6.X Software was developed in part with funds from the Science and Technology Directorate of the United States Department of Homeland Security.
5. Neither the names of UT-Battelle, LLC or the Department of Energy nor the names of the Software contributors may be used to endorse or promote products derived from this software without specific prior written permission of UT-Battelle.
6. MCNP® and Monte Carlo N-Particle® are registered trademarks owned by Los Alamos National Security, LLC, manager and operator of Los Alamos National Laboratory. These marks may be used solely upon written authorization of Los Alamos National Security, LLC, which can be contacted at trademarks@lanl.gov. Any unauthorized use is expressly prohibited.

DISCLAIMER

MCNP® 6.X Software (Software) and any of its subsequent version releases is provided "as is" without any warranty of any kind, either expressed, implied or statutory, including, but not limited to, any warranty that the Software will conform to specifications, any implied warranties of merchantability, fitness for a particular purpose, or freedom from infringement, any warranty that the Software will be error free, or warranty that the documentation, if provided, will conform to the Software. In no event shall the United States Government or its contractors or subcontractors be liable for any damages, including but not limited to direct, indirect, special, or consequential damages, arising out of, resulting from, or in any way connected to the Software or any provided documentation. Whether or not based upon warranty, contract, tort or otherwise, whether or not injury was sustained by persons or property or otherwise, and whether or not loss was sustained from, arose out of the results of, or use of, the software or any provided documentation. The United States Government disclaims all warranties and liabilities regarding third party software, if present in the Software and distributes it "as is."
